

Collaboration thrives with Webex Meetings and Webex Rooms.

By 2024, remote work and changing workforce demographics will impact enterprise meetings so that only 25% will take place in person, down from 60% today.¹

25%

Discover a collaboration solution that evolves with the changing needs of the workforce.

Award-winning devices anywhere you work

- High-quality video meetings on any device
- Digital whiteboarding at your fingertips
- Options and features for any room size

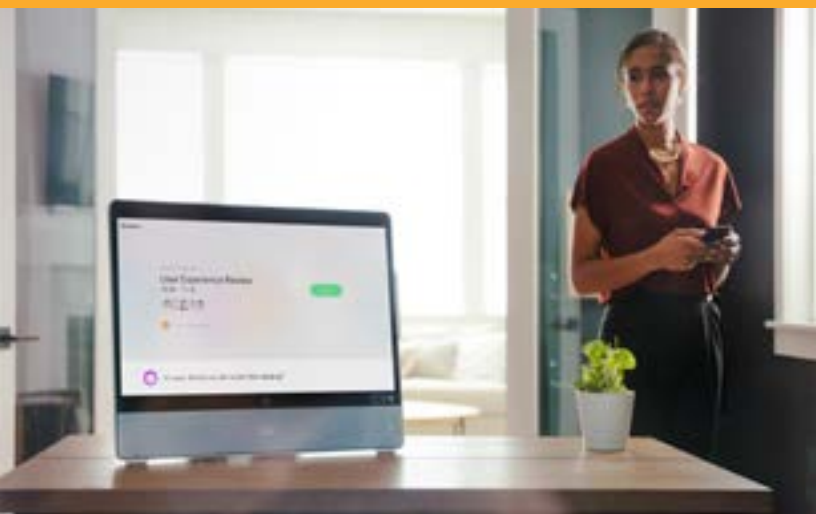

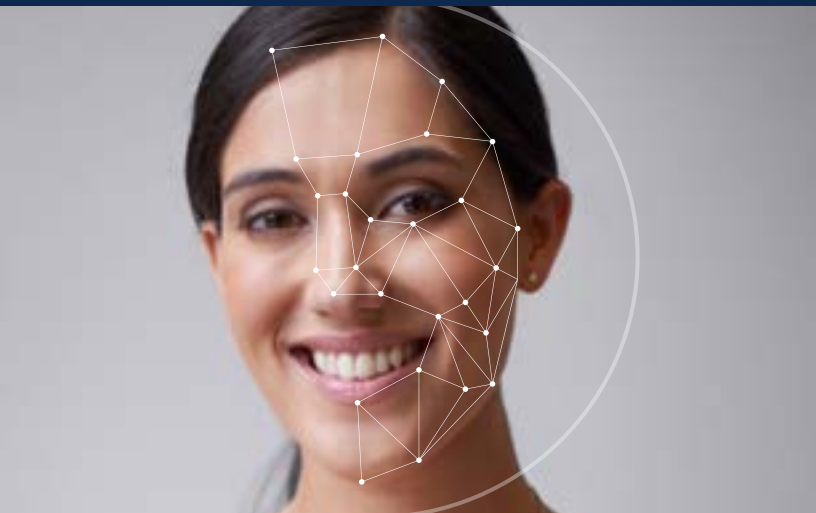

Do more with less work

- Reduce geographic barriers
- Increase employee engagement
- Improve real-time and virtual collaboration
- Train employees from anywhere
- Reduce travel costs

Artificial intelligence integrated throughout

Facial recognition identifies meeting participants so you can easily identify who is whom in the meeting room. And audio transcription and intelligent framing ensure you'll never miss a beat.

Your meeting, under your control

Take command of the room with voice-driven digital assistance and audio fencing that eliminates background noise. Do it all in HD audio and video.

Get up to 450% ROI² over 3 years

A Forrester Total Economic Impact™ study shows a 450% ROI over three years when adding Webex Room devices to a Webex Meetings or Webex Teams deployment.

The numbers are on your side.

45% uplift

A group of Webex Meetings and Webex Teams customers experienced a 45% uplift in value over three years after adding Webex Room devices.²

\$21 million

A group of customers experienced a net benefit after cost of \$21 million over three years.²

10% over 5 years

Enterprises save 10% in operations over five years using Cisco as a single provider compared to a multiprovider solution.³

Cisco has been positioned in the Gartner Magic Quadrant for Meeting Solutions for 11 times in a row.

Transform your collaboration experience.

Contact your Cisco account manager or partner reseller to add Webex Devices to your Webex Meetings or Webex Rooms deployment.
